Sanitization of TALENT Photography

25X1A

1.  Executive Secretary of the UAB, presented a proposed reply to Admiral Burke's recent request for sanitization of TALENT photography for the purpose of canvassing the views of the members of both the UAB and ARC. This draft paper was returned after the meeting because there had not yet been time to properly number or classify the paper.

25X1A 2 No action was taken on the paper. The Chairman, ARC
[REDACTED] having left the room to attend the IAC) offered to prepare
a staff paper arguing the pros and cons of sanitization and release from
the system of both satellite and USSR photography, this being, it was
believed, an essential requirement before it would be possible to put
any proposal forward.
